The Elders
Broad St. Church of Christ
Cookeville, Tennessee

Dear Brethren:

Your gracious invitation to come and work with the Broad Stree congregation was certainly appreciated. It is a priviledge to write this letter in formal acceptance of your kind offer. We do so only as the result of much thoughtful and prayerful consideration.

We know that the future holds many bright events for the group there and it will be a glorious experience to be associated with you in the Lord's work. Our only regret is that we are unable to come immediately. But, as you know, our work in Dayton, Ohio, has been too successful to warrent an immediate termination.

My wife and I wish to express the prayerful hope that our associations and labors with you will be the cause of growth and good will in the Kingdom of God. We humbly request your prayers for the work at Broad Street and wish to remind you that we covet the help of every member of the congregation in our joint work for the Lord.

Yours in Christ,

Sue and John Allen Chalk
